

CARTZIE LOYALTY & CAMPAIGNS

In today's competitive market, customer loyalty is crucial to growing your business. With our loyalty and campaigns program, you can keep your customers coming back for more. Whether you're running a local cafe or a large chain, our intuitive loyalty program gives your business the tools it needs.

Order Scheduling for Maximum Convenience

Let customers pick up when they want to, or schedule their orders in advance. Whether they're planning their weekly groceries or a quick lunch, Modissoft can give customers a customized ordering experience — knowing your orders are always ready when they arrive.

Grow Revenue with Targeted Promotions

The Modissoft online ordering platform helps you create custom loyalty programs and promotions that appeal to your customers. Whether it's a discount for a first-time customer or a loyalty program that rewards repeat purchases, Modissoft has everything you need to grow your revenue.

Track Customer Behavior in Real Time

- ✓ Identify your top sellers and what customers are buying.
- ✓ Analyze peak purchasing times to optimize staffing and inventory.
- ✓ Track repeat customers and identify opportunities for additional promotions.

Scan Data & Tobacco Loyalty Program

- ✓ Our Tobacco Loyalty Program helps you manage your tobacco efficiently, ensuring you are always up-to-date on compliance and maximizing your revenue potential.
- ✓ This program allows you to easily manage tobacco sales, ensuring you are always compliant with state regulations.
- ✓ Ensure that you are always up-to-date on pricing, promotions, and discounts.
