

Data Entry

Basic Plan

\$49 /mo.

Platinum Plan

\$149 /mo.

Data Entry simplifies administrative tasks by handling everything from paperwork and lottery management to fuel reconciliation and inventory control, with seamless POS integration and support for invoicing, bank entries, and credit card settlements—all designed to make managing finances more efficient.

Basic Plan

- ✔ Unlimited Purchase Invoices (PDF & EDI)

Platinum Plan

- ✔ Unlimited Purchase Invoices (PDF & EDI)
- ✔ Fuel Reconciliation
- ✔ Fuel Invoices Process
- ✔ Lottery Sales Management
- ✔ Bank Reconciliation
- ✔ Inventory Management
- ✔ Update Vendor and Expense Checks
- ✔ Bank Entries
- ✔ Credit Card Settlement

Without Data Entry

- ✗ Inaccurate reports & financial losses
- ✗ Slow processes and time consuming
- ✗ Struggle to handle increasing data volumes
- ✗ Limited insight into business data
- ✗ **Inefficient, error-prone operations**

With Data Entry

- ✔ **Streamlines operations and saves time**
- ✔ Easily handle increasing data volumes
- ✔ Increases efficiency and reduces errors
- ✔ Enhanced data security
- ✔ Reduced labor costs
