

DIGITAL DISPLAY

Tired of paper signage that barely catch anyone's attention? Digital Displays bring your business into the modern age with solutions tailored for seamless communication and enhanced engagement. Display your menu or promotions, ensuring a memorable customer experience.

Updates That Take Seconds, Not Hours

Menu changes and promotions shouldn't feel like a chore. With Modisoft's back office features, you'll be able to:

- ✓ Automatically schedule updates to match peak business hours.
- ✓ Make changes from anywhere using your back office.
- ✓ Minimize human errors with precise, centralized record.

Always Keep Your Pricing Updated

Are outdated prices leading to confusion or awkward transactions? With Modisoft, those days are over. Digital Display ensures clarity for your pricing system for displaying accurate prices.

- ✓ Maintain to transparency to build trust and prevent miscommunication.
- ✓ Tailor price changes for limited-time offers or market adjustments.
- ✓ Ensure customers always see accurate, real-time pricing.

Effortless Branding for Every Occasion

Keeping your branding consistent shouldn't be complicated. Modisoft's customizable templates make it simple — giving you the opportunity to reinforce your branding.

- ✓ Create impactful campaigns for seasonal offers, events, or promotions.
- ✓ Match your business's unique style across multiple platforms.
- ✓ Roll out cohesive visuals in minutes, not weeks.

Smarter Promotions That Drive Sales

Want to grab your customers' attention the moment they walk in? Modisoft helps you create impactful promotions with ease.

- ✓ Use vibrant visuals and motion graphics to highlight deals.
- ✓ Tailor deals based on customer preferences and sales data.
- ✓ Attract more customers with engaging content.
