

POINT OF SALE

Managing your business should be as enjoyable as shopping in it. Whether you have 1 location or 100, our Point of Sale is designed to streamline your operations, enhance your customer experience, and ultimately benefit your bottom line.

Why Choose Modisoft POS

- ✓ Modisoft point of sale software allows your staff to take orders quickly and accurately, improving your customer experience.
- ✓ Get insight into what sells best and when. Use our powerful reporting features to make informed decisions about your menu and staffing.
- ✓ Every business is unique. Our POS system allows you to customize features and settings to match your specific operational needs.
- ✓ Accept multiple payment methods, including credit cards and mobile wallets. Take payments and ensure every transaction is secure and swift.

Keep Lines Moving with Speedy Transactions

- ✓ Keep track of employee hours, manage schedules, and ensure optimal staffing levels during peak rush hour.
- ✓ With features like table management, your staff can easily handle multiple tables and orders without missing a beat.
- ✓ Empower your customers with Self-Service Kiosk options. Allow them to place orders directly, reducing the burden on your staff and speeding up service.
- ✓ Let customers order from their tables or on the go. Our mobile ordering feature makes it easy for guests to place orders through their devices.

Take Payments Effortlessly

- ✓ Create and manage loyalty programs effortlessly. Reward your regular customers with discounts and promotions, encouraging them to return.
- ✓ Get real-time sales reports, allowing you to address concerns and improve your services based on real-time input.
- ✓ Use Digital Display solutions to showcase your menu items, specials, and promotions. Captivating visuals will entice diners and enhance their experience.
